

Instructional Facilities

Library and Reading Room : The college library is enriched with the modern gadgets and recommended books and journals which are being periodically updated. The students can use different types of reference books and Encyclopaedia. The college library is computerized and run by library management software.

Laboratories : The college has developed well equipped laboratories in Physical Science, Life Science, Geography, Psychology, Language Learning, Mathematics, Educational Technology having facilities for accessing digital learning resources and internet.

Gymnasium : Our college has a well equipped modern gymnasium with adequate number of instructors.

Students Common room : We have separate common rooms for Boys and Girls with different kind of facilities and amenities.

Multipurpose hall : Our college has a Multi-purpose hall for different kind of co-curricular activities.

Student's corner : Our college has a room as student's corner with different kind of books, articles, papers, pen pencils, colours etc. (purchasable for all) and with a facility of Xerox.

Smart Classroom : Our college has digitally sound smart classroom to provide proper instructional facilities to the trainees.

Mobile learning : Every trainee is supported by College's Personalised Mobile App (a digital learning app) for smooth conduction of the courses.

Wi-fi facilities : The entire college campus is supported by high speed accessible wi-fi facilities.

Canteen facility : Our college has well equipped Hygienic canteen for students and staff.

CC TV surveillance : The entire college campus is under CCTV surveillance.

Play Ground : As we all know from our basic knowledge that a grassy and a seasonally occupied space for a playground is very much needed by a training college. We are happy to serve the said ground with our adjacent college building.

Games and sports/ Yoga : Our college possesses a separate room to provide internal facilities with adequate number of equipments related with various kinds of games and sports and yoga.

Our college encourages in all possible ways, popular sporting activities including football, cricket, volleyball, badminton, different kind of athletics and other co-curricular activities. For that reason an adjacent playground is available to perform all the outdoor games for trainees. It values good physique and hence has appointed a physical education teacher to guide the budding sports enthusiasts.

Seminar and Workshop : Our college periodically organizes different seminars and workshops on Contemporary Educational Topics, Fine Arts, First Aid, Educational Technology, Preparation of Teaching Learning Material etc. in collaboration with different Govt. and non-Govt. organizations.
